

Partnership Opportunities

Let's Build Better Housing Solutions – Together

At *Life With Support Housing Association*, we believe collaboration beats competition. We're not here to empire-build. We're here to provide housing that actually works - and we know that happens best when we **partner with people who are already doing great work**.

Whether you're a charity supporting ex-offenders, a mentoring organisation, a CIC working in recovery, or a commissioner looking for a housing solution - we're open for business, and we speak your language.

What We Offer Our Partners

1. Fully Managed Properties

We source, furnish, maintain, and manage high-quality shared housing.

- Exempt Housing Benefit compliant
- Regular inspections and fire safety checks
- Full landlord cover - we deal with the headaches so you don't have to

2. Referral-Friendly Housing

Need safe placements for clients you're already supporting?

We provide structured housing with:

- 24/7 emergency support
- On-site keyworkers
- Flexible policies that balance safeguarding with second chances

3. Integrated Delivery

We don't duplicate your work - we **make space for it**.

- Your mentors, keyworkers, or programme staff are welcome in the homes
- We can co-brand properties or joint-fund new sites
- You remain the lead on support; we provide the structure around it

4. Tailored Expansion

Need housing in a specific area? Talk to us.

- We can source and set up new houses
- We handle compliance, contracts, and HB processes
- You bring the support model – we'll bring the bricks

Who We Work With

We're actively seeking partnerships with:

- Probation services and criminal justice charities
- Drug and alcohol recovery organisations
- CICs supporting NEET individuals or vulnerable adults
- Faith-based mentoring groups
- Housing brokers and local authorities
- Other exempt accommodation providers who need trusted housing delivery partners

What We're Not

- We're not a letting agent. We manage what we own or lease for support purposes.
- We're not in it for volume. We're here for **stability**, not just numbers.
- We're not afraid of challenges - but we won't tolerate risk without management.

Let's Make Something Work

If you're struggling to find the right housing partner, or want to co-develop new housing pathways - we'd love to talk.
